

# NSA – Firmware Release Note

## **Updated Software Version**

gb20181011NSA (please refer to the upgrade instructions in the zip-folder)

## **Reference Software Version**

gb20160922NSA

## **Applied model**

G-Cam/GNSD168X + G-Cam/GNSD188X

---

## **Bugfixes:**

1. Fixed the bug, that the password for IEEE802.1X authentication was displayed in clear text, when a special cgi command was sent to the camera.
